

## **Healthy Bees = Healthy Gardens Benefit For Bees 12/13/14**

Please help support our **Healthy Bees = Healthy Gardens** Programs by donating a gift for our **Silent Auction** to be held on **December 13<sup>th</sup>** at **Cozmik Pizza** from **Noon-4**. Your gift will help provide funding to care for our bees year round and educate the community about the importance of bees and all pollinators. Our organization works with neighborhoods and school children throughout Eugene to encourage them to plant healthy pollinator & veggie gardens, raise bees, and create pesticide-free neighborhoods to insure the safety for people, pets, plants, & pollinators of all kinds- - crucial for healthy crops & healthy people!

**Partners for Sustainable Schools** will sponsor our tax-deductible event. For more information about our **Healthy Bees = Healthy Gardens** Programs please visit our website at [www.healthybeeshealthygardens.com](http://www.healthybeeshealthygardens.com).

Thank you for supporting this family event, focusing on **Bee Education, Honey tasting,** and **Music** by **Laura Kemp, Paul Biondi,** members of **The Sugar Beets, Opal Creek, The Project,** members of **Maya Love & other bee loving musicians!**
